# IT'S MORPHIN TIME

Welcome to the winter *Mighty Morphin Power Rangers Magazine*! My teammates and I worked hard to pack these pages with some truly morphinomenal stuff, and we hope you enjoy it!

Inside you'll find plenty of fun and surprises. For starters, our *Newsbytes* From the Command Center tells you all about snowboarding, an amazing new winter sport.

There's also a round-up of cool new winter movies and a couple of secret codes you and your friends can try out.

In our comics story, you'll find out what happens when we meet a fearsome (and frozen) creature called the Snowbot. And I get to show off one of my newest inventions, the Mega-Mop, in a story that also stars Bulk and Skull.

Lord Zedd, the nasty villain who is trying to take over earth, is profiled in our latest Spotlight. And that's not all! There are also plenty of puzzles, jokes, and your latest creature creations, too.

That's all for now! See you in the spring.

# MORPHIN MAIL

OK, Power Rangers fans! Tell us what you think of our magazine. Do you love it or hate it? Is there anything you want to see in our pages? Which Power Ranger is your favorite, and which villain do you think is really rotten? Drop us a line and let us know!

## Dear Mighty Morphin Power Rangers,

Hi. I'm nine years old and in the fourth grade. I watch your show every day. I really like it when you morph into your suits. That's neat. How do you do that? Zack is a fabulous dancer and Kimberly is very pretty, but I like you all. How old are you?

Candace Cromley  
Dover, Ohio

*The Power Rangers are all teenagers,*  
Candace.

## Dear Power Rangers,

I like your costumes and I like how you fight Rita's evil monsters. I am nine years old, and I collect lots of different animals. I am in fourth grade. Your shows are very good. I am doing fine in school. I hope you are fine, too.

Victoria Cantu  
Santa Ana, CA

## Dear Power Rangers,

I love the Power Rangers. My favorite rangers are Tommy and Kimberly. Even though I hate to get up early when I can sleep late, I get up every morning at 7:30

so I can watch the Power Rangers morph into action. I also collect items with the Power Rangers on them. I have one question: Do you know if they are going to add anything new to the show? My cousin said they were adding a White Ranger, new villains and new Zords. Is that true? Also, how do I join the Power Rangers fan club?

Amy Rowton  
Monroe, LA

*There are lots of surprises in store this season, Amy. You'll have to wait and see! But you don't have to wait to join the Power Rangers Fan Club. Just have a parent or guardian call (800) 667-7321.*

## Dear Power Rangers,

I am five years old. I like Tommy, the Green Ranger, the best. I like how he fights the Putties. I like Lord Zedd's monster. I like Kimberly, because she has a bow and arrow, and I like Jason, because he fights well and we have the same name.

Jason Zang  
Earleville, MD

## Dear Pink Ranger,

I am seven. I watch you every day. I really like the Power Rangers. My dog's name is Ranger. During recess, I pretend to be you. What is your real name?

Jamie Moffitt  
Arlington, TX

*Kimberly, the Pink Ranger, is played by Amy Jo Johnson.*

## Dear Power Rangers,

Saturday. Nothing to do. So I called up my friends, but they all had things to do. So then I thought, "I'll write a letter to the Power Rangers!"

I love the show and how you always have a message that involves safety and fair play. Bulk and Skull always make me laugh when they do something stupid. It's fascinating how Finster comes up with all these monsters and how you get all the Dinozords and the Dragon Zord together as one big battle machine.

## SURF THE SNOW!

**t**here's a hot new way to enjoy the cold, winter mountains—snowboarding! Snowboarding combines surfing, skateboarding and skiing into one radical sport.

Snowboarders (or "shredders," as they call themselves) strap on a board that looks like an extra-large skateboard without wheels. They then surf down snow-covered ski slopes, doing outrageous tricks and making high-speed turns.

Shredders have their own language to talk about their sport. "Big

air" means jumping high off the ground on your board, and "goofy foot" refers to riding with your left foot forward. One of the coolest snowboarding tricks is called a "720 spin." To do it, snowboarders fly into the air and do two complete turns before landing!

Most snowboarders are kids—the average shredder is only fifteen years old, and many are even younger. Fourteen-year-old Christopher Barnaskas of North Port, NY and his brothers Brian, age 12, and Erik, age 8, snowboard together

every weekend during the winter. Christopher explains why snowboarding is his favorite sport: "You can just relax when

you are snowboarding. You don't have to worry about competing. It's all about going out and having fun!"

## NEWSBYTES

# Coded Conversation

DECODED ANSWER: THE "BOO!" RANGER!

If you've got an ultra-secret message, there's only one way to send it—in code! Try this one: Get a piece of notebook paper and have an adult help you cut a thin strip, 1/3-inch wide. Tape one end of the strip to the eraser end of a pencil. Then wrap the strip

around the pencil till you get to the top and tape that end to the pencil point. Lay the pencil on a table and write your message on the strip, starting at the eraser and writing toward the point.

Now unwrap the strip of paper from the pencil. Straighten out the paper.

All you will see is a mixed-up bunch of letters that don't make any sense! To find out what the message says, wrap the strip of paper around the pencil. The letters will line up in the right place and spell out your secret message!

Here's an even tougher

code to crack: On a piece of paper, write the alphabet backwards from Z to A. Above each letter write the numbers in order, starting with 1. Now, you have a code, with the number 26 standing for the letter A, 25 standing for B, and so on. In this code, "Morphinomenal!" looks like 14 12 9 11 19 18 13 12 14 22 13 26 15! See if you can use the code to decipher the answer to this riddle: If the Blue Ranger dressed up as a ghost, what would you call him? The answer: 7 19 22 "25 12 12" 9 26 13 20 22 9! If you need help, the decoded answer is hidden somewhere on this page.

# YOU WRITE THE STORY!

Here's your chance to write a Power Rangers story with your friends. Wherever there is a blank space, read out the word written underneath it. Then let your friends call out a word for you to write in the blank. For example, if you say "color," your friend could call out "blue." Then you would write "blue" in the blank space provided. When you've filled in all the blanks, read the whole story out loud with the words you've added. You'll be surprised by what you've written!

These are some of the types of words you'll need to know:

**NOUN:** a person, place or thing, like man, California, or car.

**VERB:** an action word, like walk or fly.

**ADJECTIVE:** describes a noun, like pretty or scary.

Keep copying the picture, square by square, until you are looking at a drawing that matches the one on this page. ## removal instructions

1

To remove the Monster Album pages, first open the magazine to the center.

2

Take a flat object like a letter opener and slip it under the staples to unbend them.

3

Pull out all the pages of the Monster Album, from the page on the right to the Monster Album's last page, opposite the gift tags.

4

Once the pages are removed, bend the staples back so the rest of the magazine will stay together.

5

Turn the Monster Album section sideways and fold it in half so its cover is on the front of the folded pages.

6

Staple the pages together at the spine. You should staple it at least twice.

7

Carefully cut the top of the folded section so that its pages can be opened.

TO MAKE YOUR OWN MIGHTY MORPHIN POWER RANGERS MONSTER ALBUM, YOU WILL NEED TO USE SCISSORS AND A STAPLER, SO PLEASE GET A GROWN-UP TO HELP YOU.

# POWER PUZZLER

The Power Rangers are battling one of their most dangerous foes, Goldar. But something is not quite right. Can you spot 10 things that are out of place in this picture?

N S  
W E

Answers: 1. Goldar has an apple on his headress; 2. One of Goldar's wings is a bett wing; 3. Goldar is holding an ice cream cone; 4. The Pink Ranger is missing a boot; 5. The Yellow Ranger has a weather vane on her helmet; 6. The Red Ranger is wearing a motorcycle helmet; 7. The Pink Ranger is wearing a wallman; 8. The Blue Ranger is riding a skateboard; 9. The Black Ranger has a smiley face on his costume; 10. The White Ranger is wearing shorts.

# THE BATTLE OF THE PUTTY

**BILLY, THE BLUE RANGER, IS IN TROUBLE! LORD ZEDD'S PUTTY PATROLLERS HAVE APPEARED OUT OF NOWHERE. IT'S UP TO BILLY TO DEFEAT THEM—ALONE!**

**OBJECT** The Blue Ranger tries to knock out the Putties, while the Putties try to capture him.

**BEFORE YOU START** This is a game for two players. Decide who will play the Blue Ranger and who will be the Putty Patrollers. Then have an adult help you cut out the game pieces.

**HOW TO PLAY** Put one Putty piece on each space marked "P." Put the Blue Ranger on the space marked "B."

The Blue Ranger goes first. He can move one space at a time by sliding along a line. But he has to stay off a space that has a Putty on it.

The Putty player goes next and tries to trap the Ranger. The Putty player can move one of his Putties to any open space that is connected by a

straight line to the space where that Putty is standing.

The Blue Ranger knocks out a Putty by jumping over it. To make a jump, the Blue Ranger has to be on a space next to a Putty, and there must be an open space on the other side. When the Blue Ranger knocks out a Putty, take that Putty off the board.

The Putties cannot jump the Ranger. But they can capture the Blue Ranger by sliding along the lines and trapping him in a corner. If there is no open space for the Blue Ranger to move or jump into, he is trapped!

If the Putties trap the Blue Ranger, the Putty player wins. If the Blue Ranger knocks out ten or more Putties, he wins. After you finish one game, switch sides and play again!

# DEATH GAME

Fold page like this:

# Monster Menace!

The Power Rangers have to face a new monster! But first, they have to find it. To reveal their foe and its name, fold this page so that the arrows meet.

ONCE AGAIN, IT'S  
TIME FOR THE MIGHTY POWER RANGERS TO LIMBER  
UP AND TAKE ON A NEW MENACE! THIS  
TERRIBLE NEW CREATURE WOULD INSPIRE HORROR  
IN THE HEART OF ANY HERO!

# POWER RANGERS PAPER PUNCHLINER

Here's a radical gadget the Power Rangers always have on hand—the Paper Punchliner! This easy-to-make gizmo tells Power Rangers jokes that will make you and your friends guffaw—or groan. Just follow the instructions to build your own!

**Step 1:** Ask a grown-up to help you cut out the square Punchliner along the dotted line.

**Step 2:** Turn the Punchliner over to the side marked "side 2." Fold the Punchliner along the blue diagonal line. Unfold the Punchliner and fold it along the red diagonal line. Unfold the Punchliner again.

**Step 3:** With side 2 still face up, fold the four corners so that each touches the center point. Now you have a smaller square.

**Step 4:** Turn the Punchliner over. Fold the corners so that they meet in the center.

**Step 5:** Now you have an even smaller square. Fold again so that two red dots meet. Unfold. Fold the square again so that the two blue dots meet. Do not unfold.

⑤

⑥

⑦

**Step 6:** Now your Punchliner looks like a rectangle with two flaps on the front and two on the back. Grab both sides of the rectangle and push the sides together. The flaps will stick out. The middle of the Punchliner will open up.

**Step 7:** Each Power Ranger picture is on a flap. Slip your thumbs and pointer fingers underneath the four flaps. Then pinch each thumb and pointer finger together to hold the Punchliner. Open and close your fingers and watch the Punchliner move.

**Step 8:** Now you're ready to go! Pick one of the Rangers on the flaps. Spell out that Ranger's color. When you call out the first letter, open the Punchliner by spreading your thumbs and pointer fingers apart. When you say the next letter, close the Punchliner by pinching your thumbs and pointer fingers together. Then open the Punchliner by pulling your hands gently apart.

⑧

**Step 9:** Keep opening and closing the Punchliner until you have called out all the letters in your Ranger's color. On the last letter stop and look inside the open Punchliner. You will see four jokes. Pick one. Then lift up the flap of paper the joke is written on. The punchline is hidden underneath!

**Step 10:** Pick another Ranger, find a different joke, and then show all your friends!

The White Ranger has become the most powerful member of the Power Rangers, and the team welcomes him as their new leader. Because his power coin and abilities now come from Zordon, the White Ranger will never again be influenced by the forces of evil.

# SPOTLIGHT ON

## LORD ZEDD

Lord Zedd,

the emperor of evil, is a tyrant who uses threats and powerful magic to control his lackeys. Baboo, Squatt, and even the mighty Goldar cringe before him, and Zedd seems to truly enjoy their fear. He cannot stand failure, and he punished Rita Repulsa for not beating the Power Rangers by

banishing her into outer space.

Zedd is determined to conquer Earth, starting with Angel Grove, and will not hesitate to destroy anyone who gets in his way. The Power Rangers have stopped Zedd's schemes so far, and the evil emperor wants revenge. Zedd has challenged the Power Rangers with his new, more powerful army of Putty soldiers who have the amazing ability to appear and disappear in the blink of an eye. He also restored Goldar's long-lost wings, making Goldar a more dangerous foe than ever.
